New Subject

The screenshot shows a modal window titled "Add New Course" with a blue border. Inside, there is a section titled "Add New Subject" in bold black text. Below this title is a table with two columns: "Name" and "Computer Architecture". The table has a thin black border. At the bottom of the modal, there is a rounded rectangular button labeled "Confirm" in black text.

The screenshot shows a web browser window with a white background. At the top center, the text "Caffeine Camera" is displayed in a bold, black, sans-serif font, underlined. Below this, the time "4 : 06 PM" is shown in a large, black, sans-serif font. In the center of the page is a circular graphic with a white border and a large red circle in the middle. The word "STUDY" is written in a black, sans-serif font, arched over the top of the red circle. To the right of the main content area, there is a vertical sidebar with a white background and a black border. It contains a list of navigation links: "HOME", "My Page", "Time Table", "Group", "Statistic and Analysis", and "Ranking". Each link is preceded by a horizontal line. The "Time Table" link is highlighted with a blue underline. To the right of each link is a black horizontal bar. At the top right of the sidebar, there is a hamburger menu icon consisting of three horizontal black lines. At the bottom left of the browser window, there is a small black arrow pointing to the right.

Description:

The screenshot shows a Notion calendar interface. On the left, a sidebar contains a button labeled '+ Add New Timetable'. The main area is a calendar grid with columns for days of the week (Sun to Sat) and rows for hours (7 to 21). On the right, a sidebar lists subjects with delete buttons: SWPP, Cooking (Jyegatt), Study SAT, Linear algebra, and CWD. The calendar shows 'Cooking (Jyegatt)' on Sun 12-13, 'Study SAT' on Sat 10-11, and 'SWPP' on Mon 14-15, Tue 15-16, and Thu 18-19. A blue box highlights the bottom of the calendar grid, and a black arrow points from the 'SWPP' block on Tuesday to the highlighted area.
